

Grange Thistle Football Club Musters

What is it:

The Muster is a group of meetings of age groups where players and their parents or guardians come together for the first time in the Season. The Club will have formed teams from players that have registered in the Online Registration system, Play Football, up to and including midnight on the Wednesday before the scheduled meeting. Any player who registers after this time will be added to teams at a later date or placed on a waiting list if there is no space available in the age group. It should also be noted that these meetings are for Community level teams, not our FQPL Development or Academy Squads.

Meetings are scheduled by age groupings:

Forming Teams for the Season in the Under 6 to Under 12 age groups from players that have registered through the Play Football Online System in January\February\March.

Every year, around 1000 players register with Grange Thistle, with the vast majority being Juniors. The Club volunteers work through the information provided and the many requests to play with friends or to play in a particular team. The end result is delivered on Muster days. The Club knows it can never fulfil every request, but everyone working through this task do their best.

- Each Team groups together to meet each other.
- Parents volunteer as Coach and Manager (No Coach or Manager = no Team)
- U8 to U12 Teams provide the Club with 3 day and time options for training. The Club will inform the Manager later, which option if any will be available for the team and where on the pitches the allocation is to train. This training will commence from Monday 14th March.

What happens in the days after the Muster

- Volunteer Coaches and Managers will need to register in Play Football.
- U8 to U12 teams will be advised through the Manager of their Training allocation. This information is also available via the Club Website under the Football Tab. (This may take a week)
- Team Training for U8 and U12s can commence as soon as the training allocation is provided by the Club. Please do not just turn up to the fields expecting to be able to take a space. The Club has over 1000 players that are training on 2 and a half fields. This makes space very precious and therefore must be managed to minimise clashes.
- Coaches will be contacted by the Technical Director – Coach Max, with information on Coaching plans, drills, and any other assistance you may need around coaching your Team.
- Managers will be contacted by Adam Spencer (Club Secretary) with information for Managers to assist the running of your Team.
- Late registered players will be allocated to teams if space is available.
- Player movements between teams will only occur if space is available.
