

# Grange Thistle Training Allocation Information - 2024

## Understanding the Field Location format.

The first letter and number are referencing the Field

F1 – Field 1 the Full Size Field in front of the Clubhouse,

F2 – Field 2 the Full Size Field in front of the Canteen and Change Rooms,

F3 is Field 3 the Half Size Field near the Iron Bark Tree and Scoreboard.

The remaining letter refers to the area on the field specified by the first two.

Due to Team numbers, we generally allocate half the size of the age group playing field for training. The exception being the U06 and U07s.

U06s train on the field they will play on the Saturday. One team at one end and one team at the other.

U07s train on Field 1 where space is available – Please do not take any space that is allocated to Squirts.

## Training space comparison to a Full Field

U08 and U09s get per 1/8 of a full Field,

U10,11, 12 and U13s get 1/4 of a Field.

All Competition level teams get 1/2 of a Field.

See the following maps for where specific Fields are located.
